

526-H | Handicraft scissors

ARS's unique "micro serrated" treatment creates microscopic undulation on the cutting edge of the blades. The ARS Supercraft 526-A is very light, very comfortable to use and aramid or other textiles can easily be cut. Because of the "microwave" treatment of the blades the 526-H is precise and smooth and the material that is cut will not slide out.

SKU:

ARS526-H

Weight:

260 gram

Length:

260 mm

EAN code:

4965280851000
