

EP-720 | Battery-powered pruning shears

Please note: Available early 2025. A professional, compact and efficient pruning shear with Japanese blades with a maximum cutting thickness of up to 25 mm. The cutting capacity is adjustable in 2 positions; 15 mm and 25 mm, more efficient working with both small and large branches. The high-quality blade, made of Japanese steel, is triple ground for the best cut quality and longer life. The patented bottom blade prevents slipping of the branch to be cut. The EP-720 comes with two batteries and a quick charger that can charge 2 batteries. Each battery takes less than 2 hours to fully charge. The 2 batteries have a total capacity of +/- 3500 cuts.

SKU:

ARSEP-720

Weight:

925 gram

Length:

286 mm

EAN code:

4965280810083
