

G-17 | Foldable pruning saw

Folding pruning saw for professional use. The saw has a tapering saw blade and is provided with the unique patented saw blade of 170 mm. Fast and easy saw requires less effort with this sharp teeth and the way they are placed (ARS TURBOCUT). The blade is made of hardened chrome steel, making it extra strong, corrosion resistant and easy to maintain. With a plastic non-slip grip and a safety lock.
