

GR-17 | Foldable pruning saw

Folding pruning saw for professional use. The saw has a pointed tapered, slightly curved saw blade and is provided with a unique patented saw blade of 170 mm. Fast and easy saw requires less effort with this sharp teeth and the way they are placed (ARS TURBOCUT). The blade is made of hardened chrome steel, making it extra strong, corrosion resistant and easy to maintain. With a plastic non-slip grip, and a safety lock.
