

VA-7Z | Pruning shears

The ARS secateurs range has been expanded with two new anvil models: the VA-7Z and VA-8Z. These ergonomic pruning shears have fluorocarbon coated blades and are balanced to reduce fatigue with prolonged use. The anvil makes it easier to cut thick branches. These secateurs are also very suitable for left-handed use.

SKU:

ARSV-7Z

Length:

180 mm

Weight:

215 gram

EAN code:

4965280679703
